## FINANCIAL SUCCESS

We promote financial stability through programs like GED Preparation, The Yes Project, our new programs, Ascend Parenting that Works! And promoting entrepreneurial efforts. Our hope is these services increase one's ability to financially self-sufficient.

**207 Families**

**947 Service Sessions**

**2,709 Service Hours**

# Circle of Care Center for Families

## Annual Service Report 2019-2020

*Sometimes life is hard. The Circle of Care partners with individuals and families to prevent and overcome life's challenges. When we work together children are safe, families are strong, and communities thrive.*

## HEALTHY RELATIONSHIPS

Relationships are vital. We provide a variety of services that ensure healthy relationships and quality parenting. Special Deliveries, First Teacher, Parenting that Works, Fatherhood Plus, the Alabama Healthy and Relationship Education Initiative, and our new marriage and family therapy program.

**669 Families**

**1,299 Service Sessions**

**3,347 Service Hours**

## PERSONAL SAFETY

At the very core of all our services is both a hope and plan for safety and a focus on child abuse prevention. Our featured safety programs include Safe Students, directed toward schools, and Renew Hope, focused on human trafficking awareness.

**260 Families**

**20,626 Individuals**

**120 Service Sessions**

**342 Service Hours**

## NEEDED RESOURCES

There are times when every one needs some form of assistance and support. For many they lack support in these hard times. We work to connect people to these resources through our case management services.

**244 Families**

**385 Service Sessions**

**1,722 Service Hours**

## OVERALL WELLNESS

Wellness is foundational to reach goals. We promote the concept of wellness through our involvement with the Bread Basket Club (Food Assistance), Medical Transportation (The Care Van) and further support wellness holistically through our marriage and family therapy program.

**167 Families**

**391 Service Sessions**

**648 Service Hours**
